We have examined the books of the Selectmen and Treasurer, and the Account of the Library Trustees and we find them correctly kept and properly vouched.

The Tax Collector's books have not been shown us for examination.

We do not find that the Selectmen and Treasurer have kept a separate account of the Trust Funds in their hands, except as they are represented by the bond and savings bank books, but make a statement of them in report to be printed.

GEO. M. WILLIAMS,
Treasurer of the School District of Warren.

I have examined the books of the School Treasurer and find them properly cast and vouched.

HARRY A. WHITCHER, }
Auditors.

TO THE CITIZENS OF THE TOWN OF WARREN :

In submitting the annual report of your committee, we wish to say, your School Board has endeavored to make your schools a success the past year. The teachers we have employed have in most cases been competent and earnest in their work. We have insisted on regular attendance of pupils and have seen a marked improvement in this direction.

We have made repairs on several school houses using a part of the money appropriated for that purpose, but, owing to the scarcity of unemployed workmen the money has not all been expended and the necessary repairs have not all been made.

We would suggest, that, as a majority of the School Board are to be elected at the coming meeting, the voters of the district see that competent persons are elected, and then try to assist them in their work and not continually find fault with School Board, Teachers and schools.

Respectfully submitted,

W. P. SMITH, } School Board
H. A. WHITCHER, } of Warren.

Board of Health Report.

During the past year there has been but few cases of infectious diseases. There has been a few cases of measles and three or four cases of scarlet fever. The board of health officers have been called upon in a few cases to correct unsanitary conditions in different parts of the town.

F. L. GERALD. }
GEORGE A. WEAVER, } Board
A. M. BARBER, } of Health.
